General Meeting, 12:00 PM

In Attendance: Ann Marie Perozzi, Jenn Preininger, Stephanie Groat and Wendi Sommers

I. Call to Order

- A. Meeting called to order at 12:00 by Anne Marie Perozzi.
- B. Welcome and introductions were made by attendees
- C. October minutes were reviewed and a motion to approve minutes was made by Anne Marie Perrozi and were approved by attendees.

II. Event Reports- Post Events

- A. Dining for Dollars- Dining for Dollars was at Scoreboards on 11/13 and we earned \$74.00. Did not have a great turn out but low attendance could have been due to event happening right after a break. Next Dining for Dollars will be Krush Burger on 12/13.
- B. Picture Day Retakes - 11/13. Nothing to discuss

III. Event reports - Current and upcoming

- A. Toy and Food Drive- Elizabeth reported that Toy/Food Drive are going well. The food drives ends today 11/30. As mentioned in the E-News Wednesday newsletter all the tags are gone for the Toy drive!
- B. Dining for Dollars- Next D4D will be at Krush Burger at Roseville Galleria 12/13/18. Flyer coming soon. June Powells-Mays reported a change was made to D4D calendar for May 16, 2019: Matt Graham, the owner of the new Papa Murphy's on Douglas asked to host our May event. He will contribute 25% of the proceeds to our PTC.
- C. Spirit Wear- Order forms should be sent out some time next week and this coming E-News Wednesday's Newsletter will post the link to made online orders. Due date for the order forms will be 12/19 and we should get the spiritwear sometime mid-January.
- D. Movie Night - Principal Groat and Danielle Kimoto are working on getting a date figured out. It will most likely be the end of January or February.
- E. Roller Skating Night- Wendy reserved Roller King for Monday 2/25/19. We can determine what we want to charge per ticket and anything above the base about due to Roller King will go to the school. Guests would buy tickets at the time of the event. The rink would provide the event flyers, we just need to provide them with the quantity needed.

- F. Math Night - Michelle Kanada is going to submit a request for payment to the company we are buying math night materials from. It is already budgeted.
- G. End of Year Celebration- Jenn Preininger will talk to Erin Grover and see if she is willing to organize again.
- H. All Family Dance - TBD

#### IV. School Report

- A. Electronic Marquee- Marquee project is put on hold until we are able to find a contractor who can dedicate a electric line to support new sign. Principal Groat is looking for an electrician who can do the job. Wendy Sommers may have one in mind and will contact them and let Principal Groat know.
- B. Social Media- Principal Groat is working on it and thinks she will have a principal twitter account and Facebook page ready in 2019. There are always concerns with people posting negative information so Principal Groat wants to make sure it is set up correctly.

#### V. Treasurer's report

- A. Taxes - Elizabeth reported that she received the contact info for Excelsior's tax person. They charge \$400 an hour and it would end up being over \$1,000. She is waiting to schedule an appointment.
- B. Budget Items- Treasurer was not present and nothing was discussed.

#### VI. Committee Reports

- A. Room Parents - No updates
- B. Art Docent- Nothing to report
- C. Garden- Jenn has not heard any news. No updates to report.
- D. Staff Appreciation - November was missed due to holidays but will be back in January.
- E. Box Tops/Amazon Smile- Breanne advised box tops are going strong. Our little monster is almost full. She will save those away until the Spring time and have some kind of event or contest to propose when we meet in the new year. Amazon smile is making quarterly deposits to our account. We now have a Shutterfly storefront which works similarly to amazonSmile. When people purchase through the portal we receive an 8% commission. Still getting details on the how and what that 8% actually means but parents can log into [maiduptc.shutterflystorefront.com](http://maiduptc.shutterflystorefront.com) and make purchases there. She is working on a flyer to inform parents. Shutterfly has purchased LifeTouch so if we can get parents to buy their spring school pictures through the portal we might really benefit!
- F. Coordinator list- Available on the website no changes have been made.

VII. President Report

- A. District News- ESF Gala was held on 11/3. Principal Groat advised the District is continuing to look at the budget and making additional cuts due to the way current funding looks. ESF funding has been lower in bringing in money so cuts need to be made. The district is also still working on negotiating teacher's pay and hopes to come to an agreement soon.

Meeting adjourned 1:00
