

Dear Kindergarten Family,

The children are working on a poem called, "The Honeybee" for the month of May. Please help your student memorize this poem at home. Once he/she knows the poem, sign the bottom of this page and return it to school. The students will recite the poem in class and earn a prize!

***The Honeybee***

I can see a honeybee  
Go in and out of that old tree.  
I can see a honeybee  
Fly up and down my garden's sea.  
I can see a honeybee  
Jump rose to rose so fast and free.  
Then I see that honeybee  
Rest for a while right next to me.
